CONDITIONS OF PERMIT EXTENSION

1. This extension is for a period of up to 6 months from the original permit expiry date (to be determined by the building official). Any work required to complete the project after the extension period requires a new building permit application and fees.
2. Payment of extension fee is $90 or 10% of original permit fee(s), whichever is greater.
3. It is the responsibility of the owner/agent to call for the required inspections within the term of the permit extension.
4. This extension is also subject to the conditions under which the original permit was issued.
